1. Purpose

IBEX is committed to the highest possible standards of ethical, moral and legal business conduct. In conjunction with this commitment, this policy aims to provide an avenue for individuals to raise concerns and reassurance that they will be protected from reprisals or victimization for providing information of wrongdoing in good faith. IBEX has engaged Lighthouse Services, now operated by Syntrio, to be its third-party ethics and compliance hotline provider to collect allegations confidentially and anonymously. The Fraud & Ethics Hotline is not intended to prevent open communication we strive to maintain within the locations. If an individual feels that their anonymity is not required then they should follow our existing grievance procedure.

2. Scope

This policy applies to all IBEX employees worldwide, including part time, temporary and contractors.

All individuals working for IBEX are responsible for reporting suspected or actual illegal activity involving financial disclosures, accounting, internal accounting control, or auditing matters.

4.1. Safeguards

4.1.1 Harassment or Retaliation

IBEX expressly prohibits any form of retaliation against individuals who in good faith report, cause to be reported, or assist in the investigation of suspected improper, unethical, or illegal conduct or activities by anyone in the company. IBEX also prohibits retaliation against individuals who are suspected of reporting, or assisting in the investigation of, improper, unethical, or illegal conduct or activities.

If an individual believes that he or she has been retaliated against (included threatened or harassed), he or she should report it to his or her immediate supervisor or local HR representative. If an individual feels uncomfortable reporting such retaliation to his or her supervisor or HR, the individual may report the retaliation directly through the Fraud & Ethics Hotline.

4.1.2 Confidentiality

Every effort will be made to protect the reporter's identity by our hotline vendor. Please note that the information provided in a hotline report may be the basis of an internal and/or external investigation by our company into the issue being reported. It is possible that as a result of the information provided in a report the reporter's identity may become known to us during the course of the investigation.

4.1.3 Anonymous Allegations

Reporters to the hotline will have the ability to remain anonymous if they choose. Please note that the information provided by you may be the basis of an internal and/or external investigation into the issue you are reporting and your anonymity will be protected to the extent reasonably practicable. However, your identity may become known during the course of the investigation because of the information you have provided.

4.1.4 Malicious Allegations

All reports to the Fraud & Ethics Hotline should be made in good faith for the purpose of reporting reasonably suspected violations of the law, IBEX policy, or other serious or improper conduct. Malicious allegations may result in disciplinary action, up to and including termination.

4.2. Procedure

4.2.1 Reporting

Individuals may report any suspected improper, unethical or illegal conduct or activities to their supervisor, local HR representative, or through the Direct Dialogue Program as defined in the IBEX Global Code of Conduct.

However, if an individual feels uncomfortable reporting suspected improper, unethical or illegal conduct or activities in such manner, the individual may report the conduct or activity confidentially and/or anonymously through the Fraud & Ethics Hotline or Hotline website.

Reports can be made 24 hours a day/7 days a week and can be reported in either of the following ways:

4.2.2 Evidence

Although you are not expected to prove the truth of an allegation, individuals who report conduct that they believe is illegal or unethical should have a reasonable factual basis for believing that improper activities have occurred and should include as much specific information as possible to allow for proper assessment of the nature, extent, and urgency of the incident.

4.3. How the Report Will Be Handled

The action taken will depend on the nature of the concern. Reports are submitted by Lighthouse to IBEX or its designee and may or may not be investigated at the sole discretion of our company.

4.3.1 Initial Inquiries

Initial inquiries will be made to determine whether an investigation is appropriate, and the form that it should take. Some concerns may be resolved by agreed upon action without the need for an investigation. An investigation will be conducted if a review establishes that the allegation constitutes unethical or illegal activity, and if it is supported by specific information, or corroborating evidence.

4.3.2 Feedback to Reporter

Whether reported directly to IBEX personnel or through the hotline, the individual submitting a report will be given the opportunity to receive follow-up on their concern. The amount of contact between the individual submitting a report and the body investigating the concern will depend on the nature of the issue, the clarity of information provided, and whether the individual remains accessible for follow-up. Further information may be sought from the reporter.

4.3.3 Timing

IBEX is committed to conducting an appropriate and timely response to each report submitted through the hotline, as well as appropriate and timely closure to those allegations which proceed to the investigation process.

4.3.4 Outcome of an Investigation

At the discretion of the company and subject to legal and other constraints the reporter may receive information about the outcome of an investigation.

5. Enforcement

Violations of this policy will not be tolerated. Infractions will subject an employee to corrective discipline up to and including termination of employment.

The enforcement/implementation of this policy may be modified from location to location contingent upon country, province, state and local employment laws and/or regulations. IBEX reserves the right to modify or amend this policy at any time as it may deem necessary.
