1. Purpose

This document aims to clearly outline the eligibility criteria for obtaining an Authorized to Bring In (ATBI) badge, identify individuals authorized to request the badge, and specify the approval process for badge issuance.

2. Scope

This policy is applicable to all Ibex employees who need an ATBI badge.

3. Roles and Responsibilities

Role	Responsibility
Immediate Superior	Responsible for requesting an ibex device along with the appropriate ATBI badge for new promotions.
Talent Mobility	Responsible for requesting an ibex device along with the appropriate ATBI badge for new hires.
Procurement Team	Responsible for purchasing new devices.
Department Head	Responsible for reviewing and approving the ATBI badge request submitted by the Immediate Superior/Talent Mobility.
Human Resources (HR)	Responsible for validating the position of the employee receiving the device(s) and ATBI badge.
Compliance Leadership	Responsible for the final review and approval of ATBI requests.
Facilities Management / IT Field Support (US)	Responsible for printing approved ATBI badges and handing them over to the employee.
IT Field Support (ITFS)	Responsible receiving and verifying device(s) from the procurement team affixing ibex and name stickers to the device(s), and issuing the device(s) to the employee.

4. Policy

4.1. General Provisions

- 4.1.1. An ibex Asset Tag sticker, which contains a QR Code (if applicable), Asset Tag #, Device Model and Device Serial Number will be affixed to all client or ibex-issued devices. An additional sticker displaying the employee's name will also be attached.
- 4.1.2. Employees with a client or ibex-issued device, whether a laptop, mobile phone or tablet, will automatically receive the appropriate ATBI badge.
- 4.1.3. The issuance of the ATBI badge is based on an employee's role, function, and activities.
- 4.1.4. The ATBI badge must be visible alongside the employee's ID.
- 4.1.5. ATBI badge holders are not allowed to share their badges or grant exemptions to this policy.
- 4.1.6. ATBI badge holders must use their ibex-issued device(s) in accordance with the Information Security Policy, Acceptable Use Policy, and Clean Desk Policy.

- 4.1.6.1. When taking photos using a client or ibex-issued device(s), ATBI badge holders must ensure that no client logos, customer information, or personally identifiable information (PII) is captured.
- 4.1.7. ATBI badge holders are prohibited from using personal devices while inside the production floor.
- 4.1.8. Employees are not permitted to remove ibex Asset Tag Stickers.
- 4.1.9. Only ITFS personnel are authorized to remove or replace ibex Asset Tag Stickers.
- 4.1.10. If an ibex Asset Tag Sticker becomes detached, the employee must report to ITFS to have it replaced.
- 4.1.11. Any detached ibex Asset Tag Stickers found by an employee must be turned over to ITFS.

4.2. Request Process

- 4.2.1. The Immediate Superior/Talent Mobility will request an ibex device and the appropriate ATBI badge, looping in HR, Compliance Leadership, Site ITFS, and the Facilities Management Team. The request must include the following details:
 - 4.2.1.1. Name of the employee who needs the ATBI
 - 4.2.1.2. Position of the employee who needs the ATBI
 - 4.2.1.3. ibex devices to be assigned
 - 4.2.1.4. Employee provided with a secured office or pedestal on the production floor?
- 4.2.2. The Department Head of the employee reviews and approves the ATBI badge request.
- 4.2.3. Human Resources validates the position of the employee receiving the devices and ATBI badge.
- 4.2.4. Compliance Leadership reviews and approves the request.
- 4.2.5. Once the ATBI request is approved, the Facilities Management / IT Field Support (US) prints the appropriate ATBI badge ([Refer to Annex 6.1](#)) and release it to the employee.
- 4.2.6. All released ATBIs are recorded in the ATBI Tracker ([Refer to Annex 6.2](#)).
- 4.2.7. All device purchases must go through the Procurement Team. After the device is acquired, it will be delivered to Facilities Management, who will then pass it on to IT Field Support (ITFS).
- 4.2.8. Once the device(s) are available, IT Field Support (ITFS) will affix an ibex Asset Tag sticker on the device(s) to be issued to the employee.
- 4.2.9. The IT Field Support (ITFS) will verify that the name on the employee's ID badge matches the name indicated on the ATBI badge, and then release the device(s) to the employee.

4.3. Security Inspection

- 4.3.1 ATBI badge holders are subject to inspection by the local security team when entering/exiting ibex premises and production floors.
- 4.3.2 ATBI badge holders must be ready to show their ID, ATBI badge, device(s) with ibex Asset Tag sticker when entering or exiting ibex premises and production floors.
- 4.3.3 If an ATBI badge holder uses a case for any client or ibex-issued device, it must be a clear case to ensure that the ibex Asset Tag sticker remains visible.
- 4.3.4 The local security team must ensure that the device(s) employees have should have an ibex sticker and a name sticker that matches the name on their ID and ATBI badge.

4.4. Replacement and/or Retrieval

Follow the same procedure as outlined for Company ID replacement and/or retrieval in the ID and Access Badge Policy.

4.5. ATBI Tracking and Audit

- 4.5.1. Upon employee termination or resignation, an email notification from onboarding@ibex.co or Human Resources will be sent to the Facilities Management / IT (JAM/NIC/HON/US).
- 4.5.2. Upon receiving the email notification, Facilities Management / IT (JAM/NIC/HON/US) must update the ATBI Tracker within 24 hours and fill out the following:
 - 4.5.2.1. Status: Inactive - Pending Return
 - 4.5.2.2. Date of Status Change
- 4.5.3. The Compliance Analyst conducts a monthly audit of the ATBI Tracker by reviewing all ATBIs that are tagged as Active, checking the employee's status versus the Insight Employee Dump and filling out the following:
 - 4.5.3.1. Auditor Initials
 - 4.5.3.2. Audit Date
 - 4.5.3.3. Auditor Remarks

4.6. ATBI Related Violations

- 4.6.1. Sharing ATBI badges.
- 4.6.2. Sharing client or ibex-issued devices.
- 4.6.3. Bringing in device(s) and/or bag that doesn't match their assigned ATBI badge.
- 4.6.4. Using any personal device(s), such as personal laptops, mobile phones, smartwatches, etc., in the production area is prohibited, regardless of the assigned ATBI badge.

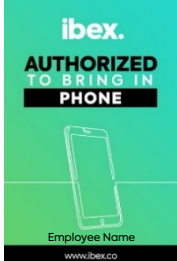

5. Enforcement

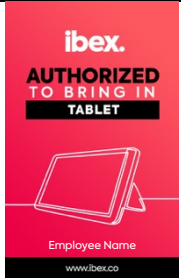

Violations of this policy will not be tolerated. Infractions will subject an employee to corrective discipline up to and including termination of employment.

ATBI	Description
	A yellow ATBI badge will be given to employees with a client or ibex-issued laptop.
	A green ATBI badge will be given to employees with a client or ibex-issued mobile phone.
	A blue ATBI badge will be given to employees with a client or ibex-issued mobile phone and laptop.
	An orange ATBI badge will be given to the following employees: • Directors and above with a client or ibex-issued mobile phone and/or laptop. • Employees with a client or ibex-issued mobile phone and/or laptop who have an office or pedestal within the production. Individuals with this badge are allowed to bring in bags and personal devices, which must only be stored in their office or pedestal. Possession of this badge does not permit the use of personal mobile devices within the production floor. For any employee (Client Services, etc.) without an office or pedestal in the production floor, bags and personal devices must be stored in a secured space, such as a designated office or conference room.

 The badge is orange with the ibex logo at the top. Below it, the text reads 'AUTHORIZED TO BRING IN PHONE + LAPTOP + BAG'. There is a graphic of a phone, laptop, and bag. At the bottom, there is a line for 'Employee Name' and the website 'www.ibex.co'.	This badge may not be applicable for some programs. Please consult the Compliance & Risk Management Team if you are unsure whether a program is authorized to use Orange ATBIs.
 The badge is light red with the ibex logo at the top. Below it, the text reads 'AUTHORIZED TO BRING IN TABLET'. There is a graphic of a tablet. At the bottom, there is a line for 'Employee Name' and the website 'www.ibex.co'.	A light red ATBI badge will be given to individuals with ibex-issued tablets.
