1. Purpose

ibex is committed to the security and safety of all employees, visitors, clients, and third-party contractors. This document outlines the end-to-end process of the electronic visitor management process from visitor arrival up to departure.

2. Scope

The provisions of this document apply to all ibex sites using the Envoy electronic visitor management application.

3. Roles and Responsibilities

Role	Responsibility
Front Desk Personnel	Follow the procedure for issuing Temporary Badges and Envoy Printed Badges to visitors or employees.
Host/POC	Receive and accommodate visitors during their visits, ensuring they undergo proper clearance.
Envoy Admin	- Manually enter all entries recorded in the paper-based visitor log sheet into the Envoy system when the system is restored. - Ensure to manually sign out the visitor or employee from the iPad or Envoy Dashboard.

4. Policy

4.1. ibex Visitor Policy

ibex welcomes visitors - our clients, business visitors, job applicants, employees from other locations, vendors, and invited guests.

Please note that secure areas within the facility including but not limited to production floors, datacenters, and some offices are designated as secure areas within the facility and access to these areas is restricted.

- 4.1.1 Visitors are invited guests and management reserves the right to deny access to our facilities to anyone at any time.
- 4.1.2 Visitors are to enter through the main entrance, must be registered in the lobby area, and wear a visitor's badge at all times while on site.
- 4.1.3 Visitors should be accompanied by an authorized employee when in a secure area of the workplace.
- 4.1.4 Visitors might be required to surrender their mobile devices including but not limited to cell phones, laptops, smart watches, cameras, and any other equipment they might have prior to accessing secure areas within ibex facility.
- 4.1.5 Usage of mobile devices within secure areas of the facility is strictly prohibited without prior authorization.

- 4.1.6 Visitor badges must be returned to the front desk when the host escorts the visitor out to the main entrance.

4.2. Visitor Temporary Badge/Envoy Printed Badge Issuance

- 4.2.1 Upon visitor arrival, the ibex Front Desk Personnel greet the visitor and request to present a government-issued ID.
- 4.2.2 After the ID is verified, it will be returned to the visitor, the Front Desk Personnel should notify the ibex host/POC and advise the visitor to wait in the lobby area for the ibex host/POC.
- 4.2.3 After the host arrives at the front desk, the Front Desk Personnel must guide the visitor toward the Envoy Visitor kiosk to start the electronic visitor registration process.
 - 4.2.3.1 Depending on the requirements of certain programs, some sites hosting those programs may have two Envoy iPads—one dedicated solely to that specific program and another for all other programs.
 - 4.2.3.2 The Front Desk Personnel must ensure that the visitor uses the correct Envoy iPad, select the appropriate options for Visitor Type (Contractor/Applicant/ibex employee), and enter the correct Temporary Pass/Visitor ID number.
 - 4.2.3.3 In the event that the host is not in the Envoy employee directory, the Front Desk Personnel must record the visit on the paper-based visitor log sheet and the paper-based NDA must be signed.
 - 4.2.3.3.1 This incident should prompt the Front Desk Personnel to request an update to the Envoy employee directory.
 - 4.2.3.3.2 All entries recorded in the paper-based visitor log sheet must be manually entered into Envoy by the Envoy Admin when the system is restored. (Refer to **Section 4.4 Adding Manual Entries** for the instructions.)
- 4.2.4 Once the Envoy Printed Badge is issued, the Front Desk Personnel will insert it at the back of the temporary badge ID holder so that both the Temporary Visitor Badge and Envoy Printed Badge details are visible.
- 4.2.5 At the time of visitor departure, the Front Desk Personnel should ask the visitor to sign out from the Envoy kiosk and return the Temporary Visitor Badge and Envoy Printed Badge.
- 4.2.6 In cases where visitors are not able to sign out or missed closing the session from the Envoy kiosk, the site's Envoy Admin must manually sign-out the visitor from the iPad or Envoy Dashboard.

Note: For all instances where a visitor requires manual sign-out, the Envoy Admin must review the CCTV footage to confirm the correct date and time before closing the session.

4.3. Employee Temporary Badge/Envoy Printed Badge Issuance

- 4.3.1 Follow the issuance procedure indicated in the [Temporary ID & Loaner Access Badge](#) section of the [Global ID and Access Badge Policy](#).
- 4.3.2 No Envoy Printed Badge will be issued to employees.

- 4.3.3 At the end of the employee's shift, the Front Desk Personnel should ask the employee to sign out from the Envoy kiosk and return the Temporary ID & Loaner Access Badge.
- 4.3.4 In cases where the employees are not able to sign out or missed closing the session from the Envoy kiosk, the site's Envoy Admin must manually sign-out the employee from the iPad or Envoy Dashboard.
- 4.3.5 If an employee fails to return the badges, the session should remain open and only be closed once the badges are returned. The Envoy Admin should update the sign-out time accordingly and include relevant details in the private notes.

Note: For all instances where an employee requires manual sign-out, the Envoy Admin must review the CCTV footage to confirm the correct date and time before closing the session.

4.4. QR Codes

- 4.4.1 QR codes must only be used in the following situations:

- 4.4.1.1 For Priority Visitors (e.g., Clients, etc)
- 4.4.1.2 When handling a high volume of visitors.

Note: It is recommended that the Front Desk keep a printed QR code readily available so it can be provided to visitors when necessary.

4.5. Envoy System Failures

- 4.5.1 In the event of Envoy system failures, the Front Desk Personnel must record the visit on the paper-based visitor log sheet and the paper-based NDA must be signed.
- 4.5.2 All entries recorded in the paper-based visitor log sheet must be manually entered into Envoy by the Envoy Admin when the system is restored. (Refer to **Section 4.4 Adding Manual Entries** for the instructions.)

4.6. Envoy Maintenance

- 4.6.1 Local IT field support must regularly monitor the iPad's operating system to ensure it remains up to date and that automatic updates are enabled.
- 4.6.2 The Envoy iPad must be connected to the designated Envoy SSID.
- 4.6.3 The Envoy employee directory must be regularly updated and should only include ibex employees.
- 4.6.4 Changes, including but not limited to, gaining access to the Envoy dashboard, updating pass numbers, modifying the employee directory, or adding/removing admins, must be requested through e-Service and must be approved by the Compliance Team.

4.7. Adding Manual Entries

- 4.7.1 Go to Visitors > Visitor log.
- 4.7.2 Click on "New visitor".
- 4.7.3 Select the most appropriate Visitor type form depending on the entry.

- 4.7.4 Fill in the new visitor form. (Note that required fields are marked with a red dot)
- 4.7.5 Check the box to send a host notification. (Optional)
- 4.7.6 Check the box to print a badge. (Optional)
- 4.7.7 Click "Sign in" to create the entry.

Note: Make sure to leave proper notation in the "Private Notes" field. (Example: Manual entry due to system issue on xx/xx/xxxx or NDA manually signed).

4.8. Envoy Log Audit

- 4.8.1 Envoy Admin must not make any unauthorized change of the visitor logs.
- 4.8.2 In cases where adjustments are needed, Envoy Admin must include private notes with the following details:
 - 4.8.2.1. Type of change
 - 4.8.2.2. Reason
 - 4.8.2.3. Date of adjustment
 - 4.8.2.4. Who made the change

Example: "Manually signed out visitor on Envoy due to missed session closure, change made on Feb 20th, 2025 by Kenny Fajardo."
- 4.8.3 The Envoy Project Management Team, together with the site's Envoy admin, will set up a weekly visitor log that will be automatically sent to the site's Compliance team.
- 4.8.4 The CST Analyst is responsible for auditing the visitor logs as a second layer of verification by ensuring that all visitors have returned the temporary badge and signed out from Envoy.
- 4.8.5 The CST analyst shall also verify that manual logs, if any, are uploaded to the Envoy system.
- 4.4.2 Refer to the **CO-EVM-01 Electronic Visitor Management Audit Process** for instructions.

5. Enforcement

Failure to comply with any or all the provisions stated in this policy shall warrant appropriate disciplinary action in accordance with ibex's Code of Business Conduct and/or as stated below and lawful action against the offender.

7. Revision History

Version	Date	Details of Changes	Change By	Reviewed By	Approved By
