1. Purpose

Our information and physical security measures are reviewed regularly to respond to the changing business environment and the client's requirements. It is in our efforts to maintain and improve IBEX Global's security measures; we aim to achieve the following:

- 1.1. Protection of confidential information both that of IBEX Global and its clients.
- 1.2. Protection of IBEX Global's physical assets.
- 1.3. Maintain a professional, efficient, clean and safe working environment.
- 1.4. Reduce the threat to security.

2. Scope

The scope of this policy encompasses all IBEX global sites/locations, all departments, associate, employees, 3rd party service providers and their staff members, and all other individuals working for and engaged in business with IBEX.

Where client requirements differ from this policy, they shall be defined and agreed within contractual agreements.

3. Roles and Responsibilities

Role	Responsibility
Operations Leadership (Supervisors, Managers and Sr. Manager / Program Head)	▪ Leaders are expected to enforce this policy on their respective direct reports and coverage and issue the necessary corrective action. ▪ Incident reports from auditors shall be received by an employee's direct superior, who shall conduct the necessary investigation and issue the necessary corrective actions. ▪ The immediate superior of violators shall monitor the progression of corrective actions and endorse cases/employees up for dismissal to HR for Due Process.
Facilities Administration Team	▪ Shall conduct regular ocular inspection on the implementation of the policy. ▪ Violations shall be recorded and forwarded to Operations Leaders.
Compliance and Risk Management	▪ Shall conduct regular ocular inspection on the implementation of the policy. ▪ Violations shall be recorded and forwarded to Operations Leaders.
Human Resources	▪ HR shall receive cases of employees up for dismissal to undergo Due Process.

4. Policy

- 4.1. The Production Area, Training Room, or other Pre-defined Restricted Area and workstations therein shall be kept clean and organized at all times.
- 4.2. Each individual is responsible for cleaning and organizing their workstation after their shift.
- 4.3. Permanent fixtures, materials and equipment on workstations:
 - 4.3.1 Must not be tampered with or disassembled.
 - 4.3.2 Only Facilities and IT personnel are allowed to do so.

- 4.4. The following equipment or materials are prohibited in the Production Area, Training Room, or other Pre-defined Restricted Area:
 - 4.4.1 Personal electronic gadgets (iPad, LED watch, iPod, laptop, etc.)
 - 4.4.2 Personal data storage devices (Hard drive, USB, flash drive, etc.)
 - 4.4.3 Personal camera, video, or sound recorders
 - 4.4.4 Writing materials
- 4.5. The following personal items are allowed inside the Production Area, Training Room, or other Pre-defined Restricted Area, but under the strict condition that they do not contribute to an unclean and unsanitary workstation or cause damage to our assets:
 - 4.5.1 Spill-proof drinking containers
 - 4.5.2 Necessary personal effects:
 - 4.5.2.1 Eyeglasses
 - 4.5.2.2 Medicines
 - 4.5.2.3 Sanitary napkins
 - 4.5.2.4 Wound dressing
- 4.6. Authorized personnel with their appropriate Authorized to Bring In (ATBI) Badge:
 - 4.6.1 Individuals who are issued and authorized to bring and use gadgets inside the Production Area, Training Room, or other Pre-defined Restricted Area shall be identified through an ATBI badge.
 - 4.6.2 Said badge shall indicate the description of the gadget and the user authorized.
 - 4.6.3 The individual's ID, ATBI badge, and the asset tag on company-provided devices must be visible when entering the production floor and may be subject to inspection by Security personnel.
 - 4.6.4 Issuance of ATBI badge shall depend on an individual's role, function and activities.
 - 4.6.5 The ATBI badge is non-transferable, and the Authorized Personnel is not allowed to share the ATBI badge nor are they authorized to give exemptions to this Clean Desk Policy.
 - 4.6.6 The personnel is only allowed to bring in the items/gadgets indicated in his/her ATBI badge; Additional gadgets require separate approval.
- 4.7. Company-issued electronic gadgets must be used for official and authorized functions only.
- 4.8. Writing materials, books, memos, posters and official documents:
 - 4.8.1 The use of office supplies and writing materials are limited to individuals specifically granted permission by management.
 - 4.8.2 The use and handling of official documents is limited to authorized individuals depending on the level of access.
 - 4.8.3 The said materials must be kept secured at all times if being used and should not be left unattended on the desks.
 - 4.8.4 And must be locked in rooms, cabinets or pedestals if unused.
- 4.9. Publicly displaying sensitive information such as user IDs, passwords, account numbers, and other information deemed confidential and private is not allowed.
- 4.10. Company desktops, laptops and mobile phones must be locked when not in use or if the logged-in user is away from his/her station/gadget;
- 4.11. Ensure that materials or documents that may contain sensitive and private client or company information are kept secured especially during long absences from your station.

4.12. Exemptions:

- 4.12.1 Any material or gadgets that are medically necessary for one to perform his/her work duties and responsibilities; These materials or gadgets must be declared and their use approved prior to entry to a secured area.
- 4.12.2 Individuals with secured offices inside the Production Area, Training Room, or other Pre-defined Restricted Area may bring personal gadgets and keep them inside their office provided they do not use them in the Production Area, Training Room, or other Pre-defined Restricted Area.
- 4.12.3 Exemptions due to medical reasons must be accompanied by medical documents or a PWD ID.
- 4.12.4 The company may also provide exemptions due to company events or initiatives.
- 4.12.5 Exemptions must be requested and approved before being implemented.
- 4.12.6 The request must be coursed through the Facilities Team and Security Team, and approved by IT, HR, Compliance and Site Director.
- 4.12.7 Any other exemption must be requested and approved by the Compliance Team, Human Resources Team, Facilities Team, and Department Head prior to its application.
